For the Spring and Summer collections the new models in the Lotus Ceramic collection are designed for the ladies. This season Lotus is synonymous for simplicity and functionality.

The 2012 Ceramic collection combines black & white ceramic and stainless steel cases with a dial diameter of 38,50mm. The model reference 15795 is a multifunction watch with light indexes and Arabic numbers that combines perfectly with the steel and ceramic bracelet.

The 3 hands quartz model 15796 represents smart simplicity with its ceramic bezel and silicon link effect strap. There is an even more glamorous white version with a rose gold finish.

The new Ceramic references answer to the demands of the most demanding women following trends and fashion.

FESTINA GROUP
