Cutting edge technology is combined perfectly with the latest designs to create the new LOTUS models. A collection of 10 men's watches, 6 chronographs (15787) and 4 multifunctions (15788) all with a very sportive style that will attract everyone's attention.

The black PVD bezel makes the look of the solid stainless steel 45 mm case (15787), or with black PVD coating (15788) even more exceptional. The contrast between the dial design and the black background color gives a very sportive inspiration to both models.

The chronograph sub-dials and the numbers for model 15787 stand out against the dark background. The quartz movement offers the traditional time, chronograph and date functions. Both models have a leather strap with only one color for model 15788 or two colors for the model 15787.

These new, very smart and sporty LOTUS watches are made of top quality materials and are made for the modern man on the go.
