Under the premises of quality and design, the Spanish brand has updated its watch portfolio with a new proposal for men of intrepid character.

This is a daring collection comprising 8 watches, 4 multifunction and 4 three hands watches. Both references are water resistant to 50 m and have quartz movements inside modern, robust square cases. The steel case is coated in hard wearing black PVD and comes with a black leather and nylon strap.

The brightly coloured indices and Arabic numerals on the bezel, as well as the hands stand out clearly.

FESTINA GROUP

With over 30 years of history, the Festina Group is today a prestigious international company specialised in the production and marketing of popularly priced watches, top-range timepieces, movements and precision parts.

Currently, the Group manufactures six brands of watches for the general market (Calypso, Lotus, Festina, Regata, Jaguar and Candino), two top-range brands (Perrelet and L.Leroy) and two jewellery brands (Lotus Style and Lotus Silver), to meet the full range of consumer demand.

The Group's head office is located in Barcelona while our major production centres are in Switzerland, Spain and China.

Today, the Group has eight subsidiaries (France, Germany, Italy, Benelux, Switzerland, Czech Republic and Poland, Chile and México), is present in over 90 countries on the five continents and sells over 4.5 million watches a year.

The quality of the firm's products, the excellent value for money and the special attention paid to post-sales service all contribute to making the Festina Group leader in many strategic markets.
