

## TRUE SPORTSMANSHIP

Expanding its men's range, Lotus presents a new range of colorful chronographs with a totally versatile and timeless design, ideal for the sporty and urban man.

Equipped with an imposing case (43.5 mm) made of 316L stainless steel, the new Lotus designs are distinctive with the vivid colors to match both the indexes of the dial, the pusher and the leather/rubber strap.

### L18587

## FESTINA GROUP

With over 30 years of history, the Festina Group is today a prestigious international company specialised in the production and marketing of popularly priced watches movements and precision parts.

Currently, the Group manufactures five brands of watches for the general market (Calypso, Lotus, Festina, Jaguar and Candino) and two jewellery brands (Lotus Style and Lotus Silver).

The Group's head office is located in Barcelona while our major production centres are in Switzerland and Spain.

Today, the Group has seven subsidiaries (France, Germany, Italy, Benelux, Switzerland, Czech Republic-Poland and Chile), is present in over 90 countries on the five continents and sells 5 million watches a year.

The quality of the firm's products, the excellent value for money and the special attention paid to post-sales service all contribute to making the Festina Group leader in many strategic markets.
